

Ephesians 3:1-21: Plan and Prayer

From the head -

Questions to consider:

- What is 'the administration of God's grace' or 'the mystery'? (see Eph. 2:1-5 & Eph. 3:6)
- What is 'the promise in Christ Jesus'?
- In reading Eph. 3:7 it's worthwhile to also read Acts 9:3-9,13-19.
- What are 'the boundless riches of Christ'?
- Why was God's plan hidden for so long? (see Eph. 3:10)
- How is God's purpose accomplished in Christ Jesus?
- How does every family derive its name from the Father?
- Why is it important that God be glorified in the church and Christ Jesus? (see Eph. 3:21 and Rev. 12:11)

To the heart -

Consider the prayer in Eph. 3:16-19:

- He may strengthen you with power so that Christ may dwell in your heart
- He establishes and anchors you in that love
- He empowers you to comprehend the width and breadth, and height and depth of the love of Christ
- He equips you to know this love that is beyond comprehension
So that... you are completely filled by God
